Mobile LED Display

An effective way to promote your business

Remote Control System

Comfortable Control Room

Convenient and Efficient

1920Hz-3840Hz

IP65

Energy-Saving

Remote Control System

The LED screens support 4G and Wi-Fi, enabling us to upload content to the display remotely from home or office.

This system ensures that we can effectively control the real-time display content.

Convenient and Efficient

Mobile LED screens are the brilliant way to communicate with viewers at any large scale events.
Whether you are planning a corporate event, a sports event, a product launch or a party, mobile LED screen will ensure that your message gets carried across to audiences and result in the success of functions.

It's easy to transport and install. Everything is inbuilt.

Superior Quality

- High-quality SMD LED with stable driving IC.

- High Refresh Rate of 3840Hz.

- High-quality lifting system of the screen frame.

The stable display keeps the images and videos blur-free even when the vehicle is moving.

IP65 - Safe and Reliable

Our product adopts the automatic glue filling machine process, so it will effectively protect it from water and dust.

Once it is installed in outdoor areas, protection is a serious matter. The wires are durable. The modules use unique buckles for good shock resistance.

High IP Rating(IP65) ensures great outputs in every condition.

More Comfortable Control Room

With the air conditioner and big space inside, the technicians will feel much more comfortable than the similar products in the market when they operate the screen.

Control room inside the truck

Customized

The pixel pitch of LED screen are P4, P5, P6, P8 ,P10.

Screen Size

We can make big screen size like 4800mm×2400mm;

we also can make a smaller size like 3520mm×1920mm.

Application Fields

Because of the convenience of operation and high-definition of this LED screen, it can be used in:

- Promotion of activities like musical festivals
- Product advertisements
- Real estate development

M2 Parameters

Item	P4	P5	P6	P8	P10
